

Iowa State Dart Tournament

January 27-30th, 2011 Cedar Rapids, IA

Players it's time to start thinking about qualifying for Iowa State. You must have at least 48 league games played in Iowa and 96 games in the traveling league to meet the Iowa State requirements for NTS.

Be thinking about what bar your team will be playing out of. Location must have NTS equipment. League play will be scheduled on Saturdays. *You may reschedule with your opponent to a different time and date but scheduled match must be played, in doing so all team/players in this league will get the required games needed.*

Also you are not allowed to play more than 2 matches per week, this will allow for double headers to be played.

Any person found to have not played all required games or having a sub play for them under their name will have all games taken away from the team and players.

Bar Name:

Player #1

Ph #

Player #2

Ph #

Sub #1

Starting Date: July 31st / Ending: September 30th

Please return the completed form to NTS by July 26th, 2010 at 5:30pm
Schedules will be posted online only for this event
